THREE New Stores Opening at The Shoppes at Arbor Lakes

J.Jill Returns, MINISO Makes it Official, and All Eyes on Warby Parker!

All Three Cite Maple Grove as the Second-Largest Twin Cities Retail Destination Next to MOA

Maple Grove, MN (February 2, 2026) — The Shoppes at Arbor Lakes in Maple Grove is proud to announce J.Jill is now open, MINISO is opening in the second quarter of 2026, and Warby Parker is expected to open this summer.

J.Jill is a national lifestyle brand that provides apparel, footwear, and accessories designed to help its customers move through a full life with ease. The brand represents an easy, thoughtful, and inspired style that celebrates the totality of all women and designs its products with its core brand ethos in mind: keep it simple and make it matter. J.Jill offers a high-touch customer experience through over 200 stores nationwide and a robust e-commerce platform.

MINISO is a global lifestyle retailer offering a curated selection of toys, plushies, collectibles, stationery, beauty essentials, home goods, fragrances, electronics, and snacks. Known for its immersive store experiences and creative collaborations with beloved franchises such as Sanrio, Disney, Minions, Harry Potter, Chiikawa, Care Bears, Peanuts, Barbie, We Bare Bears, and Pixar, MINISO brings joy and discovery to everyday shopping to over 300 stores nationwide.

Warby Parker is a one-stop shop for all eye care needs, offering eye exams, a wide selection of stylish, high-quality prescription glasses and sunglasses starting at $95, as well as third-party contact lenses and accessories. With a diverse selection of frame shapes and styles, there's a perfect pair for every shopper. Additionally, through its Buy a Pair, Give a Pair program, Warby Parker works with partners worldwide to ensure that for every pair of glasses sold, a pair is distributed to someone in need. To date, Warby Parker has distributed more than 20 million pairs of glasses.

"The leases were finalized over the recent holiday period and new year, which is typically a slower time for completing such agreements," said Michael Landstad, general manager of The Shoppes at Arbor Lakes. "These retailers are enthusiastic about joining our center, and we are delighted to welcome such unique and distinctive additions to our ever-growing lineup."

The new J.Jill store is now open and located next to lululemon, MINISO will open in the space next to Woodhouse Spa and Warby Parker will be located next to IKEA at The Shoppes at Arbor Lakes.
