Navigating to the Eastwood Mall Complex During the Next Phase of the Diverging Diamond Interchange Project

The Eastwood Mall Complex continues to provide shoppers with alternate routes to ensure easy access to the complex while a major road closure is in effect. Starting Friday, August 29, 2025, State Route 46 southbound at State Route 82 will be closed (under the bridge) for approximately seven weeks.

To help customers navigate the area, the Eastwood Mall Complex is suggesting the following detour for anyone heading southbound on State Route 46:

- **From southbound on State Route 46:**
 - Turn left onto E Market Street.
 - Turn right onto Howland-Wilson Road.
 - Turn right onto Howland Springs Road.
 - Turn left onto State Route 46.

The entire Diverging Diamond Interchange project is expected to be completed by late October. During this time, the Eastwood Mall Complex is dedicated to providing a seamless experience for all customers. The completion of this project will enhance

traffic patterns and assist in those efforts. Please find the attached maps with suggested alternate routes to visit us. We appreciate your patience and look forward to seeing you all at the mall!
